

## Replaced Silentblock on Mercedes E-Class (W211)

**New OE design: full rubber  
Sidem 849635 (OE: 211 333 29 14)**

**Old Design: Sidem 849621  
(OE: 211 333 28 14)**

**There has been an improvement on the Silentblock of the lower Track control arm. The old design is no longer available and is now replaced by the new, more reliable full rubber design.**

### **Summarized:**

**Sidem 849621 is replaced by Sidem 849635**
